

ANYONE CAN MAKE A CHAIR

# NOT EVERYONE

CAN MAKE YOU MONEY

When you sit and think about it, it's about the bottom line. That's why we've spent more than two decades researching designs, fabrications, and interior materials to make your players as comfortable as possible, because research proves when player's bottom lines are comfortable, they stay longer. And that makes your bottom line look as good as possible. Discover our bottom-line enhancing models today at [garyplatt.com](http://garyplatt.com)
