

Looking to Advance your bottom line?

You designed the answer. MEI has made it possible with

mei. | SC advance™

MEI has redefined expectations of note acceptors yet again with SC Advance. Enhancements were driven by customer requests to improve upon core measures of performance—acceptance, speed and security—and do so in a manner that is backwards compatible with the existing installed base.

By maximizing the number of street-grade notes accepted, while simultaneously increasing the security against counterfeit notes, the MEI SC Advance is a step forward on the most important measure...operator profitability.
