

IT'S ART

For Your Casino

Let The ALPHA 2™ Pro Series™ Wave™
Illuminate Your Casino Floor

The Wave was inspired by the art of play. This award-winning work of art provides optimal viewing, picturesque design, luxurious seating, and increased interaction for players. A contemporary masterpiece, the Pro Wave commands an audience with its exclusive library of V32™ and V22/22™ video-slot content, including four new high-definition games developed specifically for the Wave. The 40-inch HD game touch-screen curves gracefully inward, giving a sleek and sophisticated feel to any casino floor. Simply Stunning!
