

THAT'S THE IDEA

It's a good idea. Maybe even a great idea. But is it feasible? Can you afford it? If you build it, will they come? These are the questions and problems that the principals of KlasRobinson Q.E.D. wrestle with every day. With almost four decades of combined experience in market research and financial analysis, they know what works. A solid plan brings a project from concept to reality.

That's the idea.
