

Experience Robust

# BONUSING.

**We create the world's greatest gaming experience, every day.**

Aristocrat's Oasis 360™ includes an imaginative mix of exciting bonusing capabilities engineered to generate excitement and build ironclad player loyalty. It's also the only casino management system that can be scaled to fit you in every way, including its robust business intelligence tools. We bring you all this, along with an amazing game library that includes *Mission: Impossible* and *Tarzan*® plus imaginative solutions for a future ready gaming floor.

Experience it all when you see us at G2E in booth 1141.
