# THE FUTURE OF PLAY

This is where gaming is going. To the forefront of innovation with the unveiling of a new, flexible video slot cabinet. With fresh-yet-proven content for the Concerto Opus™. With reimagined jackpot experiences and linked progressives on the stunning 4K portrait KX 43™. And intuitive engagement at every touchpoint of the player experience with SYNKROS®.

Meet us at G2E Booth #1256, and we'll show you the future.
